Portfolio

We are having a long list of projects. Here showing our top one.

Service Provider

This is a service providing website for translation based on Sweden.
We created this from scratch.
Client name is Veer Paul

Law Firm Marketing

For PLM we worked for 2 years for creating interactive websites and applications. They hired our team of 5 members. Client name is Steven Long.

Online Courses

WhizLabs provide paid online courses to their users. We worked on this for creating admin and frontend. 3 developers worked on this for one year

Online Appointment

We created this application for web and mobile. We are upgrading this app from time to time and 5 developers are working from last 2 years
